## JOURNAL

We left Weathertop at dawn, heading north. Haldamir the Ranger guides us. He chose to keep the Weather Hills to our right side.

After three days, Holly, our Scout, made us change course, as she found a good path. The track turned westward across the Lone-lands, heading towards the North Downs and our destination... Fornost.

After three more days we ran out of provisions, and Folco, our Hunter, spent a full day pursuing a boar that he alone thought was close by! Luckily, the ruins of Fornost were already in sight.
